**Mission Statement**

*It is my mission to make a material difference in my clients' lives by joining in partnership to proactively focus on the critical financial issues that present themselves on a regular basis. To assist my clients by bringing together research, perspective, experience, and products so that sound financial decisions can be made. This focus is to foster the creation and preservation of wealth to establish financial independence today and maximize the perpetuation of the wealth for the benefit of generations to come.*

**Michael Skiff, CFP<sup>®</sup>, ChFC<sup>®</sup>**
